is affiliated with:

1. Surf Life Saving Australia
2. Surf Life Saving New South Wales
3. Surf Life Saving Illawarra

Officers for Season 2015/16

- Life Governors Ron Bradley & Don McAlister
- President Tony Cartwright
- Vice President Graham Yates
- Secretary Marti Lancaster
- Assistant Secretary
- Public Officer Paul Smith
- Treasurer Louise Chapman
- Club Captain Jordan Scott
- Club Vice Captain Shane Thelan
- Surf Boat Captain Tony Cartwright
- Vice Surf Boat Captain Travis Down
- Powercraft Captain Todd Johnston
- Vice Powercraft Captain Chris Chapman
- Chief Gear Steward Greg Johnston
- Assistant Gear Steward Todd Johnston
- Chief Training Officer Nicolette Cartwright
- Junior Activities Chairperson Lisa Cox
- Registrar Carole Johnston
- Publicity Officer Ricky Onsman / Nathan Chapman
- First Aid Officer
- Radio Officer Todd Johnston
- Competition Coordinators Carole Johnston & Craig Wood
- Social Organisers Mark Lewis
- Hall Supervisor Marti Lancaster
- Bar Manager Tony Cartwright
- Gym Supervisor Luke Erven
- Honorary Auditor Teresa Tran & Associates

President's Report

The 2015/16 Season has come and gone and for many reasons we had another successful year. It gives me great pleasure to present our Annual Report and Statement of Accounts that highlights many of these successes. We can confidently say that we have achieved our mission of:

- Providing a safe aquatic environment
- Educating the community about beach safety
- Providing programs that encourages education and skills enhancement
- Promoting inclusiveness and engagement of all members of the community to be involved in Surf Life Saving

Results that demonstrate our success this season are:

- Another season that we have kept our beach safe – no lives lost
- Our senior members attained 19 new awards
- We registered 140 Nippers
- For the first time in a while, we had a group of 6 young lifesavers (and 1 old bloke) progress from Nippers and earn their Bronze Medallion
- 24 of 48 patrolling members achieved 100% patrol attendance
- Purchase of a much-needed replacement All-Terrain Vehicle valued at \$25,000
- Achieved excellent competition results in the Nippers and there were several notable performances by our surf boat crews

As a registered charity, it would be impossible to perform the voluntary work that we undertake within the Corrimal community without our sponsors, so thank you very much and we hope to see you back again for 2016/17, they are:

1. Bellambi Hotel – thanks Brendan
2. Design Bathware – thanks Scott
3. Corrimal Leagues Club – thanks Michelle
4. Guzman Y Gomez – thanks Paul and Rosi
5. East Corrimal Butchery – thanks Adam and Cherie
6. Shimano – thanks Craig

Last but certainly not least, two great local businesses who are both dedicated and hard-working members of our club:

1. O'Brien's Service Centre – thanks Chris and Louise
2. Aspiration Graphics – thanks Travis and Belinda

For us, the members of Corrimal Surf Club, let's get behind our sponsors whenever we can by utilising or consuming their services or products.

I would like to recognise and thank the following people for their efforts during last season:

- The Surf Club Committee for this season – Louise, Marti, Jordan, Carole, Fuji, Carty, Lisa, Todd, Ricky and Nathan, Paul, Nicolette, Shane and Luke. In particular Marti and Lisa – it was your first year on the Committee and it was steep learning curve. Both of you were faced with your own individual challenges throughout the season and you handled each situation professionally and ethically, well done and I hope to see you back again
- The Junior Activities Committee – things started out a bit differently but you guys pulled together and got things moving in a very inclusive way and my impression was that it was a very happy group of parents, kids and helpers
- Everyone who pulled on a red and yellow shirt and did a patrol this season. A smaller group than 2014/15 and a bigger workload with each active member completing a minimum of 15 patrols (55 hours). Well done to Patrol 2 and Patrol 3 who successfully performed a mass rescue on New Year's Day, it was a steep learning curve for some of our newer patrolling members
- Everyone who competed under the black and white quartered cap, senior and junior – we had another successful year this year:
 - Lots of medal winners at Branch level in the Nippers – well done to the March Past Team, Isabella Wood, Ashton Sommers, Angus Waddell, Max Waddell and Vegas Myers
 - Our Open Men crew, Corrimal Black made club history by becoming the first crew to make the Open Male Surf Boat Final at the Australian Championships at Alexandra Headland
 - Our 23 Men, Corrimal Black a.k.a. the WeaPONS, won Bronze at the NSW Championships
 - Our Vets, the Comb-Overs, won Aussie Gold in the 140 Year Male Surf Boat and a Bronze in the same division at the State Titles
 - Not to be outdone, Corrimal Late to the Party won Gold in the 140 Year Female Surf Boat at the NSW Championships
- Fuji, Carole, Terry Stedman and all of the Nipper parents that officiated at carnivals this season – you've done a great job
- Congratulations to Tony Cartwright for being awarded the Most Outstanding Member, leading the club through one of our more difficult times and championing the innovative Saturday Patrol Call-Out System
- Chris Chapman for loving our surf boat trailers
- Fuji, Terry Stedman, Paul Smith and Mick Hammersley for sorting out, tidying up and maintaining every nook and cranny of our club house
- Everyone who did water safety from Sunday morning Nippers to the State Championships at Umina and everything in between

- Lisa Cox, Jade Bissett and Nicolette Cartwright for spreading the surf safety message to the younger members of our community at the Coolgardie Children's Centre
- Towradgi Park Bowls and Recreation Club for providing a great venue in a beautiful location for one of the best presentation nights we've had in a long time
- Anyone that I have missed who cooks a BBQ, serves a drink or is a spouse or partner to a member that spends their time at such a great surf club
- Port Kembla Surf Club for sticking strong and helping both of our clubs find a path through the Saturday Patrol mess, particularly David Erskine, Dave Edwards, Noel Gracie and Kennan Herkiloglu

With the generous support of the Federal government's Beach Safety Equipment Fund, the NSW government's Stronger Communities Grant and topped up by Corrimal Leagues Club, we have been able to replace our battle-worn ATV with a shiny new Club Car Carryall 1500 Diesel AWD.

2015/16 has been another solid season for us financially; finishing the year with our two major accounts in a strong position and made much healthier with the late inclusion of \$11,364 from the Stronger Communities Grant (this amount is not included in the Statement of Accounts). It was the intent of the Committee again to reinvest our surplus back to our members through increased recognition and reward e.g. our presentation night, awards, purchase of new equipment, etc. Our Nippers and Rowers will have to get cracking with fundraising activities early in the 2016/17 season so that things can proceed normally.

Disappointingly, our battle with Surf Life Saving NSW continues.

We remain disgusted with the treatment of our mate and former President, Tony Cartwright. It seems that the people responsible for this outcome do not practice what they preach and their ongoing childish actions to keep Tony removed from the Saturday Patrol negotiation, does not lend itself to healing a festering wound.

We maintain our strong belief that the provision of volunteer lifesaving services on Saturdays is an unnecessary duplication of effort and burden on our members. We believe that Wollongong City Council Lifeguards provide a service that ensures proper surveillance and protection is afforded to people that use our beach on those days.

Corrimal and Port Kembla surf clubs have complied with the obligations of our respective lifesaving service agreements however from the time of the first media release relating to the signing of our agreements, SLSNSW have not shown good faith nor have they complied with their obligations. Both clubs have worked through this dispute together and we have a rock solid commitment to each other to see it through. Our message to SLSNSW – Rome (i.e. surf lifesaving in regional NSW) is burning while you continue to fiddle!

To finish off on a positive note and looking to the future of our great club, we are excited by the opportunity presented by the release of the NSW Government position statement, "Authorising surf lifesaving clubs' use of Crown land in NSW."

We have lodged a formal expression of interest with Wollongong City Council to commence formal discussions in proposing activities that will help ensure the ongoing sustainability of our club and the important service that we provide to our local community. Our proposal consists of two requests:

1. Replacement of sponsor signage on the external walls of the surf club building, and
2. After researching and considering three business type options, we are pursuing a sub-leasing arrangement for the hall, external upstairs deck area, kitchen and bar area for a commercial enterprise to operate a café bar restaurant.

Finally, some food for thought and a call to action, your surf club needs you! A surf club provides a fantastic opportunity you to contribute to your local community, encourage and develop our kids and teach them surf safety and life skills, keep yourself fit, vital and active, form lasting friendships and just have a bit of fun. We don't just want to survive, we want to thrive and we can't do that without your active contribution. Everyone is busy; we've all got jobs, families and a million other things going on but helping out is easy and there is plenty of support and advice available if you're not too sure about what to do or what you can do. Please think seriously about making a contribution, particularly if you've never had a go or you've been taking a back seat for the last few years.

See you next season

Graham Yates

Our Valued Sponsors

Provides an annual donation of \$5,000 that goes toward the purchase of new surf boat rowing equipment

Bellambi Hotel

Design Bathware

Provided \$5,000 that enabled our 23 Men Surf Boat crew to enter the Ocean Thunder Pro Surf Boat Series

Provided \$3,000 towards the purchase of a replacement All-Terrain Vehicle and continues to provide us with facilities to conduct functions and meetings

Corrimal Leagues Club

East Corrimal Butchery

Provided \$1,600 to purchase club polo shirts and provides a voucher on a weekly basis to the value of \$25 as a raffle prize

Hosted a fundraising function that raised \$1,200 and provided funds to assist with the purchase of hi-vis vests for the Nippers

Guzman Y Gomez - Wollongong & Shellharbour

Aspiration Graphics

Provides many services to our club including signwriting of our surf craft, design and installation of advertising signage for our sponsors, design and production of event promotional material

O'Brien's
Service Centre

O'Brien's
Service
Centre

Provides mechanical inspection, servicing and maintenance to our All-Terrain Vehicle and various trailers

Allows club members to conduct a weekly raffle and provides a percentage of all member expenditure on premises that enables our competitors to fund carnival entry fees

Balgownie
Hotel

DHL

National Major Partner of SLSA and significant uniform sponsor, enabling uniforms to be provided free of charge to patrolling lifesavers

National Major Partner of SLSA and provides the SMS system that we utilise through SurfCom

Telstra

ClubsNSW

Continued and generous support of the NSW Championships and receipt of funding through ClubGRANTS

SLS NSW distributed \$7,155 through the state-wide Raffle and Guardians of the Surf fundraising programs and we received \$1,676 from the Lifesaving Equipment Grant

Surf Life
Saving NSW

Government Support

We would like to recognise and thank the following government departments for their generous support during the 2015/16 season:

1. The **NSW Government's Department of Primary Industries** and the **Member for Cunningham, Sharon Bird MP** for the **Stronger Communities Grant** funding which provided **\$11,365** to our club that we have used towards the purchase of a replacement All-Terrain Vehicle
2. The **NSW Government's Department of Justice** for the ongoing funding of state-wide operations, which benefit all members through our co-operative agreement
3. The **Federal Government** for the **Beach Safety Equipment Funding** which directed **\$5,500** to our club that we have used towards the purchase of a replacement All-Terrain Vehicle
4. The **Emergency Volunteer Support Scheme (EVSS)** funded through the **National Partnership Agreement on Natural Disaster Resilience** between the **NSW and Commonwealth Governments** for receiving equipment to ensure compliance with the new units of competency for **Apply Advanced Resuscitation Techniques (HLTAID007)**

Secretary's Report

It has been an interesting and busy year at Corrimal Surf Club. From nearly a false start at the beginning of the season to being in the Open Surf Boat final at the end of the year it has been very exciting and nerve wracking.

As Secretary I have learnt many new things and have found that being a member of our committee both valuable and educational. I encourage all members to take time and volunteer to be on the committee, you will have a great time. All of the committee members are there to help; they are such wonderful, encouraging people.

I would like to congratulate all our patrolling members who give so much to our small club and provide such an essential service to the local community. It has been a very busy year with many hours spent on the beach but you have proven once again how well you all work as a team.

Thanks to all of our sponsors, your assistance makes it possible for the club to get those little extras for all surf club members.

Looking forward to the 2016/17 season!

Marti Lancaster

Treasurer's Report

As Treasurer for the 2015 / 2016 season I am able to report that the Club was financially secure in all accounts.

On behalf of the Executive, in my opinion:

- a. The accounts give a true and fair view of the state of affairs of the organisation with respect to fundraising appeals;
- b. The Balance Sheet gives a true and fair view of the state of affairs of the organisation with respect to fundraising appeals, and;
- c. The provisions of the Act, the Regulations under the Act, and the conditions attached to the fundraising authority have been complied with by the organisation, and;
- d. The internal controls exercised by the organisation are appropriate and effective in accounting for all income received and applied by the organisation from any of its fundraising appeals.

We held successful fundraising events organised throughout the season by members and these funds have helped keep the club running in an efficient and competent manner. We have been able to purchase some new equipment for the club this season, including a major and very essential purchase of a new ATV for our beach. Hopefully we can continue to aim towards updating more vital equipment next season.

Many thanks to all Club members and local businesses in their continuing support and we hope to maintain this association during future seasons.

Louise Chapman

Junior Activities Chairperson's Report

2015/16 started off with some real challenges which saw a lot of change within the junior section of our Club and I am so pleased to report that with a fresh Committee and new enthusiasm, we met every challenge! It was a very productive year for Corrimal Sandpipers and we had the highest amount of help from parents that I have seen in my time at Corrimal. It's so nice to see and it keeps the kids involved when they see Mum and Dad, Nan and Pop getting involved as well. To all of the new and existing committee members, age managers and behind-the-scene volunteers, thank you so much for your time and support throughout the season, our club would not be what it is today without your help.

Our first group of graduates (u15's this season) came back in force to help out with water safety and patrols. They attained their Bronze Medallion this season. Our second group completed their first year as a patrol group (u14's this season) and we have our 3rd group (u13 this past season) who will start their first patrol season as a group and attained their Surf Rescue Certificate.

All our fabulous nippers grew in confidence, knowledge and skills this past season and this is the reason that we all do what we do. We are raising future surf lifesavers and /or great examples of being surf aware and safe at the beach.

Our nippers and parents got involved with several fundraising and community events this season including a beautiful dinner at GYG Wollongong (our hi-vis competition vest sponsor), Clean-Up Australia Day and Bunnings BBQs and we were also the most helpful team I have ever seen at a carnival.

Competition

Our club was well represented in all competitions throughout the year. From the Sydney Water Series through to the Branch and State Championships, there was always a "Black and White" quartered cap competing on the sand or in the water.

Surf Life Saving Illawarra Championships

We had 28 competitors, all of whom tried their hearts out – we were represented in the first event of the day and did not stop until the last. We remain Branch Champions for March Past 10 years in a row now and proudly earned some individual gold and bronze medals with some great performances. We also had our first ever team qualify for the NSW Championship in the u11 Board Rescue event.

Our Medallists were:

- | | | | |
|-----------------------------|------|--------------|---------------------------------|
| • March Past Team | GOLD | | |
| • Isabella Wood | u10 | Surf Swim | GOLD |
| | u10 | Board | BRONZE |
| • Ashton Sommers | u8 | Wade | GOLD |
| • Angus Waddell | u13 | Sprint | BRONZE |
| • Max Waddell & Vegas Myers | U11 | Board Rescue | Qualified for NSW Championships |

A special thanks must go out to all the parents who gave up their time to be an official or help out with water safety. I was so proud to see every single parent that turned up assist in some way at the carnivals. It was an amazing team to be a part of!

Surf Life Saving NSW Championships

We had some nippers and parents make their way up the Pacific Highway to Umina and Ocean Beach for the State Championships. With 7 nippers representing us at a state level this is a fantastic result for a small club.

Considering the large number of competitors in each event and the size and experience level of our team, our kids efforts were amazing. A special mention goes to Levi and Bailey Sommers who were unable to compete in their age sprint relay at State due to two member of their team being in their board rescue event at the same time. The Sommers boys went down to the water to cheer on their team mates - great team spirit!

Our Partners:

I must say a big thank you to all the partners and families in assisting us with services and donations to purchase much needed equipment and to help educate our nippers while making it a fun and safe environment. In particular, I would like to thank:

- The Jamieson Family
- The Wood Family
- The Atkins Family
- The Waddell Family
- The Brown Family
- GYG Wollongong and Shellharbour
- Bunnings Wollongong
- Shimano Fishing

I would also like to thank the Corrimal Surf Club Committee for their ongoing support this season.

To our nippers and your parents and carers, you give us so many reasons to be proud and grateful and I thank you for an amazing season. As a sub-committee, our role is to create and maintain a safe and caring environment and this season many hands made light work with the bonus of many new friendships and memories made.

We battled through some tough conditions at the start of the season with the weather and surf but we got on with it and as a result, the season was amazing. Our participation and performances at carnivals, our presentation day and twilight nippers were fantastic and we are looking forward to doing it all again this next season. Hope to see you all there again!

Cheers

Lisa Cox

Chief Training Officer's Report

Awards for 2015/16 Season

Bronze Medallion

Khalia Rasch

Craig Wood

Diego Alvarez

Abby Banfield

Trinity Vasquez

Zachary Jans

Isabelle Smith

Surf Rescue Certificate

Lisa Cox

Simon Prior

Scarlett Curley

Angus Waddell

Oscar Myers

Silver Medallion IRB Driver

James Olsen

Jordan Scott

Shane Thelan

Kurt Gray

Christian Adams

Nicolette Cartwright

Trainer

Nicolette Cartwright

This season I ran my first Bronze Medallion / Surf Rescue Certificate course that enabled me to become a Trainer for the surf club, thanks to the group I had for making it an enjoyable experience and to Tony Cartwright for helping in the assessment along with James Brighton and Craig Zulian.

Over the coming seasons hopefully we can get a few more trainers and assessors in the club.

Also thanks to Lisa Cox for organising our visits to pre-schools for our surf awareness presentations. The completion of the above awards made it easier for us to meet the minimum patrol requirements – let's keep this up!

Nicolette Cartwright

Club Captain's Report

The 2015/16 surf lifesaving season was yet another successful year for Corrimal with no fatalities occurring on our beach. I would like to thank all members who assisted in patrols and water safety throughout the season as this would not have been possible without all of you.

The 2015/16 season saw:

- 2882 patrolling hours completed
- 1,160 preventative measures carried out
- 20 rescues of people in trouble in the surf
- 3 first aid treatments

This season has been a testing season for everyone in our club but it was great to see everyone come together and support and help each other with over 380 hours of the total patrolling hours coming from substitute patrols.

With only 41 active members and 7 active reserves it was a phenomenal effort from all involved especially with 24 patrolling members achieving 100% of their allocated patrolling hours.

We also welcomed several new surf lifesavers come through the ranks and obtain their Bronze Medallion and Surf Rescue Certificates, it was great having you on board.

Jordan Scott

Doin' what we do.....the sun sets on yet another season!

Surf Boat Captain's Report

In my 21 years with Corrimal, I think that as a Club, 2015/16 was our best. The two most significant highlights of the season being:

1. Swifty, Lewy, BJ, Bosco and Timmy achieved a feat that no other crew in our club has by making the Open Men's final at the Australian Championships at Alexandra Headland – it was great to be a part of
2. The old fellas fought hard and ended up bringing home an elusive gold medal after taking out the 140 years Male Surf Boat at the Australian Masters Championships at Alexandra Headland

Other season highlights included:

- 8 crews donned the Black and White quartered cap performing strongly and further building our strong reputation
- The level of support that was present at this year's Aussies, cheering on our crews that made it through to Sunday and getting together for a few frothies and a foot-tappin' good time at Alex Surf Club afterwards
- Season-long high performance by our much-loved WeaPONS, going above and beyond in Ocean Thunder, making 12 out of 13 finals throughout the 'normal' season, Branch champions, bringing home a chocolate medal at the State and for being "BORING" on Mad Monday
- Comb-Overs finished the season with plenty of bling, taking out the Warilla Bowls Surf Boat Series, Branch and Aussie Masters champs, State Masters bronze medallists and if wasn't for their rubbish sweep, would more than likely have made an Aussie Reserve final – making the Crab one very happy crustacean
- Corrimal Late to the Party dominated at the State Titles, taking home a gold medal in the 140 Years Women Surf Boat – well done Nads, Susie, Karla, Bec (and Jackie)

Our sponsors

Thanks to our major sponsors:

- **Bellambi Hotel** – thank you Brendan for your continued support, it adds up to a hell of a lot of money over time and we sincerely appreciate your generosity - our boat shed is full it
- **Design Bathware** – Scott, your support enabled our 23 Men crew to compete in Ocean Thunder this year. There are so many other benefits that our Club receives as a result of this support
- **East Corrimal Butchery** – thanks Adam and Cherie for the voucher to raffle off every Sunday
- **O'Brien's Service Centre** – Chris and Louise – our trailers love you!!
- **Aspiration Graphics** – Travis & Bels – thanks for the sexy-looking new oars

Crew summaries

Open Men (Corrimal Black)

Peter Scott, Mark Lewis, Ben Jenner, Steve Boscoscuro, Tim Jarrold

- Corrimal Black Open Men crew had an unconventional season, with work / life commitments preventing them from getting in the boat before Christmas
- With the New Year arriving, the boys formed a pact to get back in the boat and compete in the big end-of-season events. Most of their hard work was done on the ergo wherever they could get on one and whenever a weekend was available, they would squeeze in some boat time – had some Gerroa residents scratching their heads at C-Man's presence
- NSW Championships was their first race for the year and were only just beaten for a place in the final – from that point, they knew they were on the pace
- The boys were gifted a last minute entry to the Best of the Best but again they were just edged out of a spot in the final but the extra racing was necessary with only a month left until Aussies
- Off to Alexandra Headland, fit, keen and fresh, Corrimal Black kept plugging away, qualifying race after race. Anticipation was growing the longer Sunday went with plenty of tight racing, and then it happened! With plenty of support, the boys lined up in that elusive race of the best six crews in the land and created club history by finishing 5th, it could quite easily have ended up a podium finish
- Most Outstanding Crew of the season for the 3rd year running

Open Men (Corrimal Creeps)

Greg Lancaster, Joel Irwin, Nik Preiner, Mark Nightingale, Niels Glahn-Bertelsen

- Joel and Niels teamed up with a couple of new additions, Mark 'Florence / Gandolph' Nightingale and Nik 'Niko' Preiner, saving their best 'til last, nearly managing to scrape through to Sunday at the Aussies
- The Creeps were lightly-raced this season, choosing to only contest the Warilla Bowls series and the end-of-season majors with the allure of lazy surfing Saturdays too great
- Similarly to last season, the Creeps had more than their share of tough love but when you're playing with the big boys in A's, there's no substitute for frequent, hard training and racing
- I was great to see the fight that the boys showed on Saturday arvo at the Aussies

Open Women

Tony Cartwright, Susie Giannakenas, Mel Beretov, Mel Sexton, Nicolette Cartwright

- A new crew – Susie and Habib (Mel B) came back to the fold after a lengthy drinking and food-fest throughout Europe, Nicolette decided to have a crack in Opens and a newcomer, the inspirational Mel Sexton joined up after overcoming a serious and life-threatening illness – and wasn't there some work to do!
- As well as being a long way out of nick, we needed to polish up on some fundamental aspects of our technique and get some serious boat time

- Long hours studying and / or working, shift work and illness was making it tough to get in the boat to train early in the season and it was showing in our performances at carnivals but the girls persisted – we could get to the cans with them but fell apart on the journey home
- After Christmas, we eventually established a routine that involved mainly early mornings and late evenings but confidence, strength and fitness was building and we started to creep up on some of the hot-shots
- The MnMs finished the season off with a 4th in the A-Reserve final at the ASRL Open, made Sunday at the State and got 7 rows as the Aussies and were rewarded with the ‘Most Promising Crew’ at presentation – well done girls, you did yourselves proud and made a lot of people sit up and take notice

Reserve Men (Corrimal Comb-Overs)

Tony Cartwright, Luke Erven, Ben Malcolm, Craig Johnston, Glenn Staples

- Twig decided on a Cross-Fit sabbatical opening the door for Larry and what a fine job he did – the Comb-Overs were still alive in 2-0-1-5
- It’s such a pleasure sweeping these blokes, some of my life-long mates, doing what we love to do – there’s no bullshit, just hard work, top-notch skills and a couple of cold ones
- With no expectation of success, we managed to take out the Warilla Bowls Surf Boat Series but we couldn’t have done it without the assistance of Luke Mackie and Twig, taking turns to fill in at all 4 carnivals
- Massive thanks to Luke Mackie who is now an honorary Comb-Over – nothing ever phased him and he passed every challenge thrown at him, except for maybe his counting when filling in at Stroke
- Plastic Back Crakkas gave us a fright after hurting his back at Manly where we made the 7 News after a spectacular roll-over in testing conditions (contrary to popular belief there was no dive outs)
- As old blokes, we’re entitled to row in the Masters and we smashed it – gold medallists as a Junior Masters crew at the Branch, bronze medallists at the State and cracked the big one at the Aussies in a tight one
- In the Reggies we were no chance at State with Crakkas picking up a bug and vomiting on himself in our second race – I don’t know who was feeling worse just before the 2nd race, Crakkas or Langy when we nearly had to sub him in shortly after scoffing down an egg ‘n’ bacon roll
- At the Aussies, we were on a high after our Masters success and were travelling really well. There was no better indication of this than when we got snotted going through the break in one of the late qualifying rounds and managed to row down 4th place to sneak through. We made it through to the top 12 and were certain qualifiers to the 2nd Semi and with less than 20 metres to travel to the line, I slewed on the tiniest little lump – I really feel that I let you blokes down in that race because we were definitely heading for bigger and better things that day.....sorry boys!!
- Enjoy your retirement Crab

23 Men (Corrimal Black)

Peter Scott, Jordan Scott, Kurt Gray, James Olsen, Shane Thelan

- The Corrimal Black u23 Men crew had an outstanding season, competing in both Open Mens events as well as u23 Men events
- The crew was hardened up early with them taking a spot in the prestigious Ocean Thunder series, racing against some of the top Open Men crews in the land and the boys were not disgraced by any means and finished the series around mid-table
- However it was the u23 Men Division where they really shone bright, competing in 13 events over the course of the season and appearing in 12 finals
- Result highlights include:
 - 2nd place Australian Short Course Championships
 - Competed in 2 rounds of the Warilla Bowls Series winning both finals
 - 1st place SLS Illawarra Championships
 - 3rd place SLSNSW Championships
- Just shaded as this season's Most Outstanding Crew and although you boys are looking to have a bit of break, we want to see you back this season, you're great rowers, equally great blokes and the future of our club

23 Men (Corrimal White)

Tony Cartwright, Ryan Ziems, Corbin Mueller, Christian Adams, Jack Cartwright

- What can I say, what an interesting season with these blokes, not a season goes by that you don't learn something, or in my case, many things about yourself
- Upon reflection, these blokes bore the brunt of a very frustrated man on many occasions – I couldn't take out my bad temper on the MnMs and the Comb-Overs would just tell me to piss off, so you blokes copped it – sometimes you earned it, sometimes not
- It took many weeks to settle on a combination that balanced skills, experience, body weight and intelligence and we ended up with the new bloke, Corbin in the Stroke seat, Ryan swapped sides to 2nd Stroke and Bruiser and Jack stayed in their familiar Bow seats
- Rowing is a sport like no other where you have to get the basics right before you move on and we spent many, many hours practising basic skills in flat water and eventually ventured out in to more challenging conditions and more complex skills – Corbin's come-afts still need some work and no you can't stroke the boat from 2nd Bow Bruiser!
- From where we started, we can say we finished the year with a much-improved skillset and there was definitely some moments where you showed some real potential but the thing that killed us in the end was we spent so much time on skills that our strength and fitness wasn't up to scratch at the big end-of-season competitions
- I enjoyed my season with you blokes and would love to do it all again. I think Season 2 will be a much easier, less stressful one

23 Women (Corrimal Sea Cups)

Greg Lancaster, Taz Lancaster, Bronte Lancaster, Annaleise Naylor, Taryn Yates

- A much better season from the Sea Cups, largely due to an increased focus on training, leading to improved fitness, strength and surf skills
- The Sea Cups have proven time and again that they can handle any surf conditions and there was no better demonstration of this than the Bulli round of the Warilla Bowls series
- The girls did it tough again this season battling with work and Uni commitments but were showing promise for the majors
- An errant North Cronulla boat put paid to the Sea Cups' season on Sunday at the ASRL Open with both Bronte and Taz sustaining all-but season-ending injuries – the girls were extremely underdone at the Aussies

Special thanks:

- Carole - for looking after all of our carnival entries, club transfers and putting up with our general tardiness in replying to requests for information
- Fuji, Carole and Terry Stedman - for officiating at our carnivals throughout the season, we wouldn't be competing if it wasn't for you. Long hours on the beach, putting up with cranky competitors and the distances that you have to travel, we really appreciate your efforts
- Todd - for helping us out again with water safety at the NSW Championships
- Marti - number 1 supporter and takes a mean action shot

2015/16 was a great season for our club!

ABN: 46 968 514 791

NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 30TH JUNE 2016

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act New South Wales. The committee has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

(a) Income Tax

The Association is exempt from the liability to pay income tax.

(b) Property, Plant and Equipment

The Association has expensed fixed asset purchases to the Income and Expenditure Statement. This has been the policy of the Association from the 2010 financial year.

The fixed assets currently disclosed in the Assets and Liabilities Statement are assets which were acquired prior to 30 June 2009.

The Association maintains a comprehensive fixed assets register. The fixed assets register maintained by the Association details all assets held by the Club.

(c) Interest Received

Interest received is brought to account when it is credited to the respective bank account.

(d) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). The net amount of GST recoverable from or payable to the ATO is included in the assets and liabilities statement.

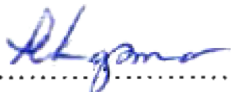

**TRUE AND FAIR CERTIFICATION BY MEMBERS OF THE
COMMITTEE**

In accordance with a resolution of the committee of Corrimal Surf Life Saving Club Incorporated, the members of the committee declare that the financial statements as set out on pages 1 to 5 show a true and fair view of the financial results of fundraising appeals conducted during 2015/2016 season.

- a) That the accounting and associating records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and the regulations;
- b) That monies received as a result of fundraising appeals conducted during the year have been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the regulations; and
- c) At the date of this report there are reasonable grounds to believe that the organisation will be able to pay its debts as and when they fall due

This statement is signed for and on behalf of the committee by:

President 

Treasurer 

Dated this ..16 August 2016.....

INDEPENDENT AUDIT REPORT

To the members of Corrimal Surf Life Saving Club Incorporated

We have audited the accompanying financial report, being a special purpose financial report, of Corrimal Surf Life Saving Club Incorporated which comprises the committee's report, the assets and liabilities statement as at 30th June 2016, the income and expenditure statement for the year then ended, noted comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the Association.

Committee's Responsibility for the Financial Report

The committee of Corrimal Surf Life Saving Club Incorporated is responsible for the preparation and fair presentation of the financial report and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act (New South Wales) and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud to error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Liability limited by a scheme approved under Professional Standards Legislation

Qualification

Corrimal Surf Life Saving Club Incorporated, in common with many other organisations of similar size and nature, derives a substantial proportion of its income from voluntary fund raising activities.

As effective control over such transactions is not established until they are entered in the accounting records, we have been unable to independently verify whether amounts receivable from this source have been completely accounted for.

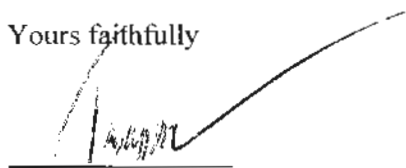

Qualified Audit Opinion

In our opinion, subject to the effect, if any, on the financial report of the matter referred to in the preceding paragraph, the financial report presents fairly, in all material respects the financial position of Corrimal Surf Life Saving Club Incorporated as at 30th June 2016 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of the Associations Incorporation Act (New South Wales).

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist Corrimal Surf Life Saving Club Incorporated to meet the requirements of the Associations Incorporation Act (New South Wales). As a result, the financial report may not be suitable for another purpose.

Yours faithfully

Teresa Tran, FCPA

Wollongong NSW 2500

Dated this 15th August 2016
